Dear High School Students and Parents,

This graduation plan worksheet is written to be used with our program. However, it can be copied and modified to be used for other programs as well.

Just place a "C" in the box for classes **completed**, and an "N" in the box for the classes still **needed** to be taken in order to graduate. Then, list all classes needed at the bottom of this form.

If you have any questions, please feel free to give us a call @ **918-759-0691**
